Quince Imaging Raises Funds, Hosting Exclusive Charity Golf Tournament to Benefit Local Children's Hospital

DULLES, VA, June 30, 2017– Eleven teams and several volunteers participated in Quince Imaging's 1st Annual Charity Golf Tournament on June 30th, 2017 in support of the not-for-profit Children's Oncology Program at Inova Children's Hospital. The pediatric oncology program provides comprehensive medical treatments for children diagnosed with cancer and support services to their families. The competition and awards luncheon that took place at the 1757 Golf Club in Dulles, VA grossed a total of \$4,000 in ticket sales and sponsorships, creating an impressive benchmark for the premier event.

The tournament consisted of match play between eleven foursomes on an 18-hole course, followed by a sit-down luncheon. Winners were awarded the prestigious Quince Qup and victorious bragging rights. The winning team consisted of clients, Blake Jungmeyer and Alex Belmares of Czarnowski, partner Andrew Issacson of The Famous Group, and Quince's very own Creative Director, CJ Davis.

"This 1st Annual Charity Golf Tournament has been a rewarding experience for Quince Imaging, our staff and participating colleagues. In celebrating our 20th year, Quince Imaging wants to play an active role in giving back to our community. All proceeds benefitted the Pediatric Oncology Program at the Inova Children's Hospital in Fairfax, Virginia," explains Julia Agostinelli, Event Support Manager at Quince Imaging. "The Inova Children's Cancer Program is a highly respected program with a celebrated reputation for meeting the unique needs of young cancer patients and their families." Julia continues, "We look forward to growing this event each year as a means to support a different local charity or program."

Scott Williams, COO of Quince Imaging, went on to add, "The event was a resounding success on many levels, including team building, customer entertainment and most importantly, the fact that we were able to raise funds and cultivate awareness for children and families whose lives have been adversely affected by cancer. Thanks again to all who participated and helped to make an impact – we hope to see everyone again next year at Quince's 2nd Annual Charity Golf Tournament!"

About Quince Imaging

Quince Imaging is the premier image display, content delivery, video production company specializing in projection-system installations, experiential design and customized creative solutions for live events, sports and commercial markets. Emerged from the crowded market of event and AV companies, Quince is a leader in knowledge and a true champion of quality.
